Youth and Family Services of Haddam Killingworth and Artful Living have partnered to present the "Artful Living Summer Theater Camp", offering classes in singing, dance and theater. Community-theater Producer and resident HKMS Drama Director, Christopher Solimene is working with HKMS Choral/Band teacher, Joel Spinetti and Marti Spinetti, professionally trained with dance and theatrical movement. This week-long camp is perfect for those kids who want a comprehensive musical theater experience while being conveniently located in our own community.

The team-building skills learned throughout the collaborative process of creating a production will strengthen your student's abilities to work cooperatively with others while building self-esteem, public-speaking skills and voice techniques. It is our desire that all children enjoy their time with us and use the skills taught in our program to pursue the enjoyment of musical theater by performing in school, the community or professionally.

A typical day will include three rotations of Theater-arts, Musical-Theater Singing and Dance & Movement before lunch. A time for brown bag lunch (provided by you) will be given. Snacks will be provided by us. The afternoon will include ensemble rehearsals for the Friday performance as well as speakers from the professional world of theater. Some stage craft, costume and prop-master work will be worked into the schedule as well. Complete the Registration Form on the back of this letter and sign up TODAY!
